

USA Demurrage - Export (DMO)

Effective Date : October 1, 2024
 Expiry Date: until further notice
 Publishing Date: August 28, 2024

DMO charges are applied to cover the costs associated with export storage at the terminal and the usage of the container. DMO charges are applied when the roll is caused by the customer's actions or omissions. Once the customer has addressed and resolved all issues or reasons for the roll, DMO charges will continue to accrue for a maximum of seven days following the resolution date, regardless of when the container is loaded onto the next vessel. Prior to resolution, the customer will be charged DMO for each day the issues remain unresolved.
