Demurrage / Detention Merchant Haulage:

Vessel Delays:

Demurrage/ Detention is charged if we announce a booking confirmation with changed ETD minimum 5 working days or earlier prior to container pick-up

Standard Containers include Standard High Cube

Demurrage – Carrier Haulage:

General:

A demurrage free positioning is planned by our customer service, but external factors which Hapag-Lloyd cannot influence may result that even in case of a carrier haulage transport demurrage might occur.

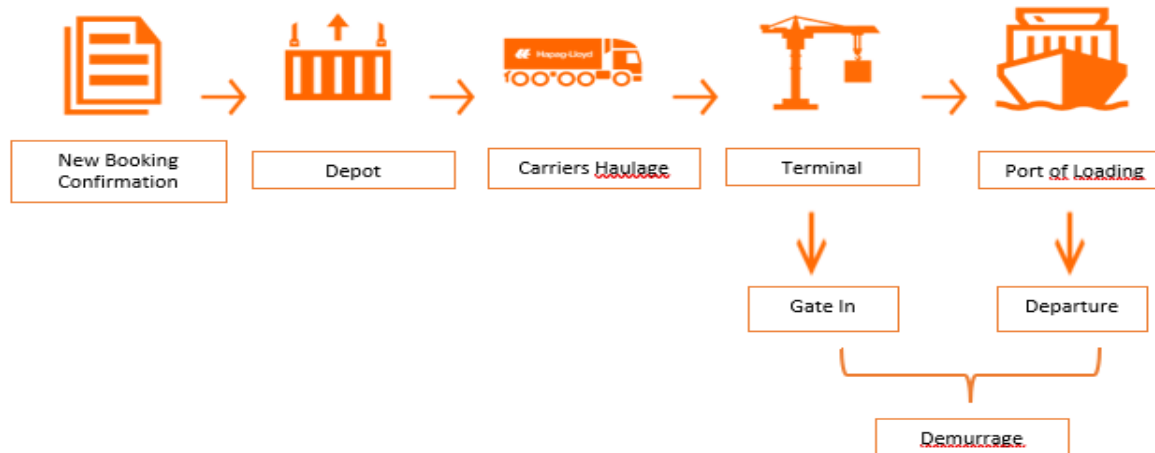

A request of a different positioning date other than the initially agreed date, could incur in demurrage costs to be covered by the customer.

Vessel Delay

Demurrage is charged if we announce a booking confirmation with changed ETD minimum 6 working days for all Truck or 10 working days for combined transports or earlier prior to container pick-up.

If there is a sailing date change, the customer must modify the positioning date and check if the positioning date leads to demurrage.

Scenario 2: Delivery arranged in Carriers Haulage

Standard Containers include Standard High Cube

Special Containers are Tanks, Reefers, Ventilated, Insulated, Open Top, Hard Top, Bulk, Flats, Platforms
