

Hapag-Lloyd Inland Services

New Inland Service in Ecuador

DP World Posorja to Duran Logistics Center

Hapag-Lloyd Ecuador has opened new hub facilities at Duran to handle your cargo on its way to discharge in DP World Posorja. The Duran Logistics Center is strategically located with easy access to/from the main roads of the country. This new service is available for imports from all origins.

The service is made possible by our close commercial association with DP World Logistics.

Our Offer

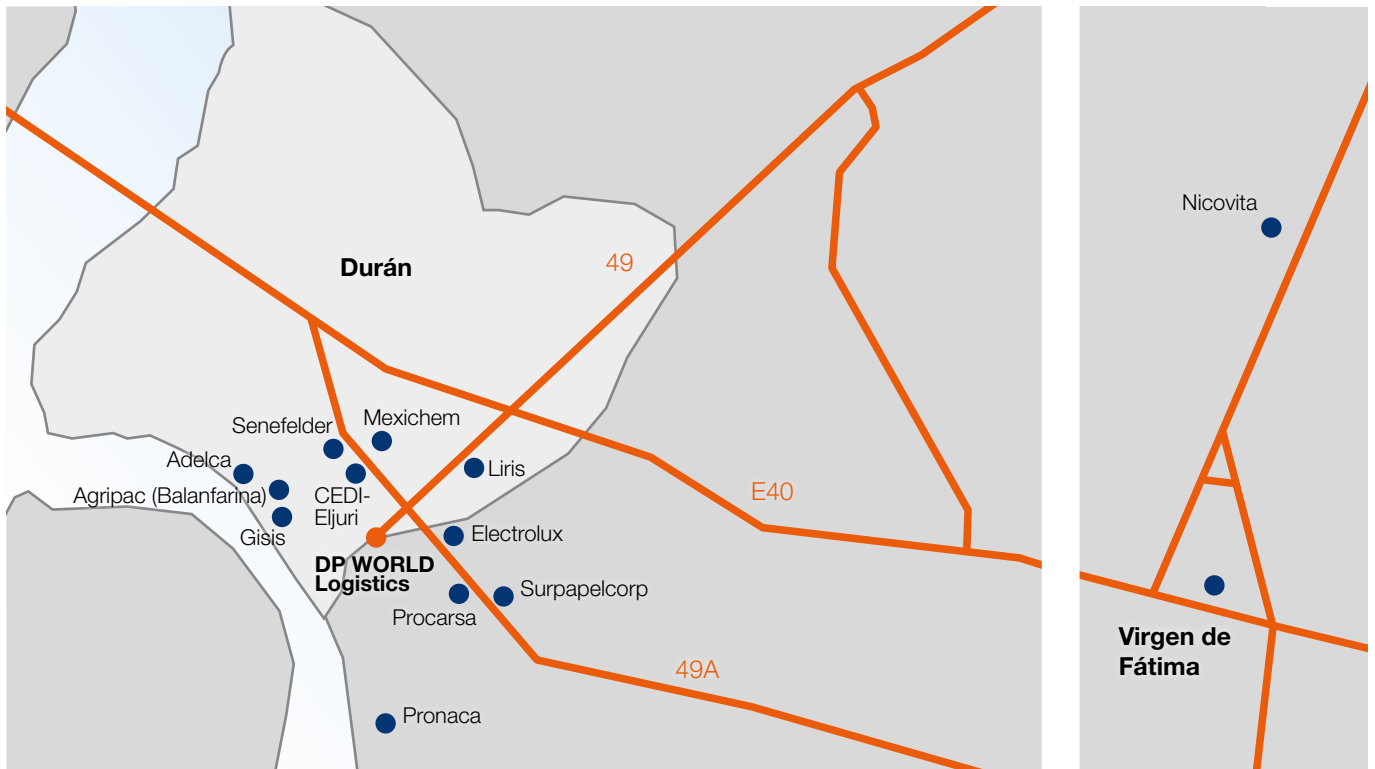

- 24/7 hours service for handling IN/OUT of units
- Additional cargo storage facilities* at Duran Logistics Center (warehouse)
- Extra facilities for cargo pick-up
- Service availability for standard equipment, High Cube units and Reefer units
- Special appointments to return empty units
- Plug in* for Reefer units
- Reefer power units (Genset)* to secure continuous temperature control
- Security also guaranteed by armed security personnel*
- Close cooperation with port-authorities and terminals at DP World Posorja

*Hapag-Lloyd offers additional services depending on cargo type and/or conditions previously requested by our customers.

Your Benefits

- Easy access to/from the main roads and all locations across the country from Duran Logistics Center
- Convenience rates for hub facility services
- Uninterrupted supply chain services
- Full coordination with shipping services
- Reduced administrative workload
- Time and cost savings

New Inland Service in Ecuador

Container Type	Rate
