

Hapag-Lloyd Inland Romania

We cover Door-to-Door-Deliveries – for Import and Export Shipments

Hapag-Lloyd provides tailor-made solutions for the first and last mile worldwide. With our door-to-door deliveries throughout Romania for imports and exports connecting Constanta Port to all Inland locations by truck or rail, we strive to offer you convenient and efficient services.

Our Offer

- Customised Inland solutions for your cargo managed by our experts and a simplified transport process
- Safe and efficient Inland services for special customer and cargo requirements, e.g. automotive, electronics, refrigerated goods, dangerous goods
- Competitive Carrier's Haulage rates
- One-stop shop for ocean and inland services

Your Benefits

- One point of contact for all communication and agreements including an improved booking and documentation process
- Close follow up and updated cargo information throughout the complete transport
- Save time and costs by combining shipment and Inland transport

Easy booking of all services via Quick Quotes

Get your instant, competitive quote for transportation services to and from Inland locations combined with sea shipment in just a few clicks. Also available on our mobile app.
