

Express Service for Fresh Grapes

Egypt's grape season is kicking off in May

Transporting this sensitive cargo requires expertise, precision, and top-quality equipment. Hapag-Lloyd guarantees its customers the best-in-class service for their cargo's needs. Take advantage of our direct service from Damietta to our gateway port at Koper (ADX), offering you seamless transportation.

Our Offer

- Express service ensuring that your grapes arrive at their destination fresh and in best shape
- Regular schedule and optimized operations with our flexible cargo pick-up options
- Modern reefer fleet available with 24/7 monitoring service via Hapag-Lloyd LIVE
- Uninterrupted cold chain until delivery at the Central and North European Markets
- 24/7 support from our sales force as well as our dedicated reefer experts during season
- Competitive Carrier Haulage rates

Your Benefits

- Benefit from our industry-leading transit times and stay ahead of the competition in the Adriatic Service
- Expect unparalleled flexibility thanks to our 24/7 availability at the Koper terminal
- Enjoy our efficient network with direct connections from Damietta to overseas main destinations.
- Rely on our reefer equipment always available when and where you need it
- Trust us as a reliable and quality-oriented carrier with a global network of dedicated reefer experts
