

Hapag-Lloyd Inland Rail Ramp

Our Green Option for
Rail and Door Service

Rail ramp services from PSA Genova

Hapag-Lloyd offers a sustainable transportation service for your import cargo business from/to PSA Genova Pra' to Melzo (Milano west side) and from Genoa Port Terminal (GPT) to Arluno (Milano east side).

Our Offer

- Catering to customers requiring extra free time at the rail ramp
- Increased frequency, expanded coverage, and enhanced capacity for our inland services
- Exclusive inland rates available for individual requests
- Option to choose carrier or merchant haulage for efficient last-mile delivery

Your Benefits

- Minimize your carbon footprint with our eco-friendly option
- Enjoy competitive rates for carrier haulage
- Optimize efficiency with shorter distances for additional truck services
- Utilize online tools like Quick Quotes and Navigator for fast quotes, an easy booking process, and seamless tracking of shipments from anywhere, anytime
- Access all-inclusive CH benefits: no detentions, on-wheel charges, drop-off fees, or fuel surcharges

Frequency

From	Destination	Frequency	Tariffs	Advise	Cost Saving	Green option
Psa Genova Pra'	Melzo (Milano west side)	daily	Available on our website	Import CR: Pre-advise 48 hours before vessel arrival		
Genoa Port Terminal	Arluno (Milano east side)	2 trains per week
