

DIGITAL FORWARDING NOTE – SOUTH AND NORTHWEST INDIA – LIVE

Dear Valued Customer,

This is to announce further to our advisory dated 1st July 2023, the digital forwarding note via the Odex platform for following ICD's in India are LIVE.

Customers are requested to apply forwarding note requests on Odex. The forwarding note window will open for the vessel ETA -11 days at ICD (Inland Container Depot). However, it's important to note that the forwarding note window will close before 5 days for shorter hauls and 7 days for longer hauls, such as Ludhiana, as agreed upon during the course.

So, the customer should ensure that they approach Odex to issue the forwarding note within this specified time frame to avoid any delays or issues with the shipment. Timely action will be crucial to ensuring a smooth and efficient logistics process.
