Dear Customer

In addition to the government ban on wood related product (including charcoal), effective 30<sup>th</sup> March, Hapag-Lloyd Nigeria will also stop the acceptance of all non-wood coal related products indefinitely.

This includes but not limited to Briquettes, Palm Kernel Shell, Coconut Shell, Restaurant Items or Restaurant Used Material, Shisha, and all other non-wood coal related products.

For all non-wood coal related shipments accepted before 30<sup>th</sup> March – we will endeavor to load them out with relevant authorized documents.

Please note and plan your shipments accordingly.

Regards
