

Now accessing cut-off times is easier! Here's an update for Vietnam.

Dear our valued customers

The cut-off times for Vietnam are now available to you via **E-Port***.

What you need to know:

- E-Port* is a platform designed to provide you with a comprehensive list of cut-off times for your specific services and needs
- Available anytime, anywhere
- Regularly updated* with the latest information to support your cargo planning

[Detailed cut-off times here](#)

Remember to check E-port regularly as schedules can change. If you have any questions, please contact vietnam@service.hlaq.com who will be happy to assist you with your individual request.

Best regards,
